MESSAGE

Dear Friends,

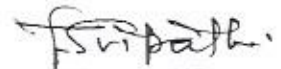

We are going to conduct 8th Membership Verification for recognition of majority representative Union(s) in BSNL this month and the preparation for this process must be going on in full swing. It is a gigantic task and its successful accomplishment in peaceful, free and fair manner will require wholehearted support and co-operation of all the stakeholders.

I am confident that the Returning Officers, Asstt. Returning Officers and the teams working under them will demonstrate the same level of enthusiasm and perfection as we have seen in all the elections conducted in the past. Considering the complexity and magnitude of the work involved, it is only by meticulous planning and monitoring of various activities, timely interaction with Election Commission and Labour Commissioners, problems at the last moment can be avoided. I urge all the Territorial Circles to provide all possible support to the other non-territorial Circles in the state.

A successful completion of this process will also need active participation and collective efforts on the part of the Office Bearers and representatives of all the Unions. At this stage it is very important that to have adequate communication, CGMs and SSA heads hold the meetings with the respective Circle/Distt. Secretaries and take timely action on inputs/grievances received from the individuals/unions.

This election is one of the most important activities in BSNL and I am sure its successful completion will give an immense sense of pride and fill all of us with energy and enthusiasm.

With best wishes.
